

For a better deal for Sleaford, Quarrington, Greylees, Aswarby, Swarby, Aunsby, Dembleby, Scott Willoughby, Culverthorpe, Kelby, Newton, Hacey, Walcot, Osbournby, Scredington, Silk Willoughby, Swaton, Threkingham and Wilsford...

Please Vote for **David Suiter**

**For Your Lincolnshire Independent
County Councillor**

May 6th

This election is about local issues. Why on earth would you vote for a national political party? It simply doesn't make sense at local level. Across Lincolnshire, Independents are gaining ground.

Putting local people first "David Suiter is the only one of the candidates with a true and proven record of tackling issues for his community. He always listens to people, thinks carefully through the issues and works hard for you to get what is needed.

**"David has my full support and is just what our County Council needs right now."
Marianne Overton MBE Leader of the independents at the Local Government Association.**

"Please vote for David Suiter, with a good track record of solid, local support. He is dedicated and effective." a local Sleaford Businessman.

One of my supporters said this of me, **"he works day and night for you, he is always there when you need him. He has common sense and experience. He attends meetings when others are absent. he is a man for town and rural problems. Make the difference and vote him in"**.

Why am I standing for Sleaford Rural? I live in Sleaford. I was born here. I am pleased to be asked by many of you to stand for the County as a Lincolnshire Independent. I believe it is important to have a Councillor who is well known and trusted. I will always be willing to work with other councillors to improve Sleaford and our villages. I work only for the best interests of you, the residents not a party. I work hard to improve services and "value for money". I shall be Independent, free to listen to your concerns and support our communities. As an Independent, I have fought for proper management of funds by the Town Council and won, alongside other Independent councillors.

I am fighting to look after our heritage in the recreation ground in Sleaford, enjoyed by many people, especially children. I support local business and want to keep the character of our rural villages.

I am on the county committee of the Lincolnshire Association of Local Councils the organisation for Parish and Town Councils; I look forward if elected to working with those on Parish Councils as well as the Town Council that I am a member.

I am proud of my excellent attendance record. As a recent Mayor of Sleaford, I worked solidly to raise a lot of funds for our local charities.

Please Vote for David Suiter

Working for you on Sleaford Town Council on the Neighbourhood Plan for the town, out now for consultation, to bring some big improvements, I also...

- worked to keep public toilets open and another reopened.
- spoke up and voted for more trees to be planted in the right places.
- preserved and enhanced children's play areas and numerous other things over many years.
- obtained a town hall building that saved money compared to a previously rented building.

Hard-working and effective, I work for you as a Sleaford Town and District Councillor. I have successfully worked to help pull round the previously failing political party run Town Council that had to borrow money to pay its bills. It was an appalling financial mess. We independents sorted out the chaos.

At North Kesteven I supported and voted for:

- Improvements to Holdingham Roundabout
- Employment opportunities at Sleaford Moor Enterprise park
- Affordable homes including new council houses
- The Climate Change Action Plan and planting more trees.

I normally try to knock on every door in elections I will not do this as many of you are concerned about covid being spread in this way. I would have liked to meet all of you. To contact me, please telephone.

Around three quarters of your council tax goes to Lincolnshire County Council. Not enough of that Council Tax comes back to Sleaford and the nearby villages. I will lobby for more of your council tax to return to this area for the services we need.

A significant number of Independents are standing as Lincolnshire Independent. The parties will attack what makes us strong, an organised Independent is that. The only thing we sign up to is that they will be Independent and act in the interests of their residents!

Lincolnshire Independents are a mark of quality, determined to speak and vote independently for their residents. So you know what you are getting with me – a local champion.

You don't always know what you are getting with a party member. The main parties voted for

massive housing development, without matching jobs, services and facilities. Better to vote for a local champion, an Independent with a network of support if you can, and definitely with the determination to put local residents first. Take control vote Independent.

Fix our Potholes. I have been campaigning on this issue. I believe the local Conservatives have said a lot on this for many years, but in power done very little. If you want potholes fixed, vote for a real independent, vote for me. I will also work on the broken pavements and street-lights.

I will work to get improved services for the elderly and for young people. Lincolnshire County Council does not give us our fair share. We want support for those affected by the covid crisis and work on our recovery together.

Every vote will count, but together we can make a difference.

Please turn out to vote for me. Thank you.

Want to avoid the polling station on 6th may, you can apply for a postal vote by calling 01529 414155 or going online to www.gov.uk/register to vote
